

PRODUCT DATA SHEET

PSA1163 - Premium Ultra Bond Double Sided Filmic Tape

Description

Our Premium Ultra Bond Double Sided Filmic Tape uses a 12 micron PET film as carrier, coated with a mold resistant cold weather solvent acrylic adhesive on both sides, and protected with white colour double-sided PE coated silicone release paper. Suitable for banner bonding, bag sealing, photos sticking, envelope sealing, fabric / leather laminating, paper and film flying splicing, fabric positioning during computer embroidering, carpet fixing, foam laminating and die-cutting etc. PSA1163 has excellent resistance to weather, UV, plasticizer and ageing.
