PSA1010 Carton Sealing Paper Tape

The mark of responsible forestry

Recycling-friendly tape according to INGEDE Method 12

Product Description

Carton Sealing Paper is a general-purpose packaging tape characterized by a consistent crepe paper backing and a natural rubber adhesive. Easy to unwind and hand tearable, it is suitable for sealing cartons and light weight boxes and non critical bundling, holding, splicing and labeling.

50% of the raw materials contained in this tape come from natural resources.

Thanks to its special adhesive formulation, it provides a good holding and adhesion on all papers and cartons, even in warm environments.

PSA1010 can be disposed together with the packaging on which it is applied without affecting the paper and cardboard recycling process, in accordance with INGEDE certification.

FSC® certified masking tapes available on demand.
